USES and BENEFITS of the VULCAN Centre Stand Dolly:

Place Your Motorcycle ANYWHERE – The **CENTRE STAND DOLLY** has four heavy-duty casters allowing your motorcycle to be placed anywhere room is available. Valuable floor space in your garage is used in the most efficient manner. These Casters have a Polyurethane Tread which make them ‘Silent’ and NON-Marking, as well as being Oil and Chemical resistant.

No Modifications needed to Your Motorcycle – The DOLLY utilizes the centre stand found on many of today’s motorcycles. Simply roll the Dolly under the bikes Rear Tire, bring down the centre stand, and move your motorcycle anywhere in the garage.

The Centre Stand Dolly can help you organize Multiple Motorcycles in a Small Space. This Dolly can help you store all the motorcycles in your garage in a systematic manner. You need a Centre Stand Dolly for each Bike and will have access and quickly roll out whatever motorcycle you want to ride. No more having to move all your motorcycles to get at the one you want.

The VULCAN DOLLIES have the Finest Quality Casters with **Precision Bearings** on both on the **Axle** as well as the **Swivel**. These Casters have a **‘TOTAL LOCK’** feature which not only locks the Wheel but the Swivel as well. The locking casters secure the **Dolly** in place while you unload your motorcycle as well as secure the Bike in Place while being Stored.

The Centre Stand Dolly was designed for one person to easily move a motorcycle where room is at a premium. No more ‘jogging’ your bike back and forth to position it in the place you want.

The Centre Stand Dolly has a Low Profile Design.

Minimal effort is required to place the bike on the Dolly.

The Centre Stand Dolly is a ONE-PIECE Compact Design.

The VULCAN DOLLIES come with a *Lifetime Warranty* on all components.

The VULCAN DOLLIES are PROUDLY MADE IN CANADA.
