Description

Situated on Tuc-el-Nuit Lake, a spring-fed oasis amidst the splendor of Canada’s only true desert, our location offers peaceful views from our park-like 5-acre grounds with a 500-foot private beach. You will love our beautiful lakefront log gazebo and patio garden, which becomes a spa during 'adult season.' Tuc-el-Nuit is perfect for families, as it is safe, shallow, warm, clean, and power boats are not permitted.
