Description

We regret to announce that we are cancelling the Last Chance Camp-N-Ride in Oroville this year.

We had heard from a number of our members that they were not planning on going to the US this year. A number of reasons were cited but we're not going to get into a political discussion here.

In the end we did a poll of our members and of the responses we got, only 5 people had committed to attending. We couldn't justify the cost of maintaining the reservation for so few people.

We truly regret this move as we love to see our US members and to ride the great roads in northern Washington. We hope that we will be able to return to Oroville next year.
