# Campouts

The Valley Riders host four Camp-N-Ride weekends per year.  We reserve the camp site in a great location usually with a decent discount or group rate.  You get to show up and camp, go on day rides and hang with your fellow riders in a great setting.  You don't have to sleep in a tent to attend.  Some folks arrive in an RV and others take a motel room.  Either way, you still get to hang with the campers in an area with some fantastic riding.
