Description

Our Midway Camp-N-Ride is back for 2025 at the **Frank Carpenter Memorial Campground** on the north bank of the beautiful Kettle River at Midway. The group campsite is booked from **Thursday September 4th to Sunday, September 7th**. Midway is located at Mile 0 of the historic Kettle Valley Railway.

We had a fantastic turnouts in 2022, 2023 & 2024 with great weather and we're hoping for a another repeat this year. There are several serviced (water & power) campsites in the campground and if you wish to reserve one, please contact the campground directly. (Contact information is in the venue below) Sites last year were $30 + $5 for power.

We have the Group Camp area reserved and there is plenty of room for tents and RV's but there are no services there. Please keep the Eastern part of the group area open for tenting as that is closest to the washroom and shower facilities. Tenting last year was **$15 per tent per night**. An RV in the group area with no services was charged **$20 per night**. We don't anticipate a change, but stay tuned. Please bring cash as we will be collecting for the group.

We'll have a coffee urn set up each morning so bring your own mug. We usually ask people to bring a breakfast snack to share with the group on Friday and Saturday mornings.

The Mile 0 motel in Midway is the only motel in town, so you may get lucky booking a room if you wish.

As there aren't a lot of restaurants within walking distance of the campsite, we're going to try arrange at least one group dinner at the campsite, likely Friday night. We'll let you know of any further arrangements but for this, please come prepared with cash. Last year dinner was $10 per person.

We're looking for another great turnout this year. We hope to see you there.

Description

The **Midway Waterfront Campground** is located right on the Kettle River in the town of Midway. We have the group camping area reserved and they've added a number of new picnic tables to the area this year.

When entering Midway on Highway #3 turn south at the Motel and go approximately 6 blocks south to the stop sign before the bridge. Turn right (west) at the Pub on the corner. Continue past the camp sites to the group site at the west end of the campground.

For any American members the Border Custom's offices at the Grand Forks and the Cascade (Hwy #395) crossings are only open from 8 am to 12 midnight. Midway crossing is open 9AM to 5 PM. Osoyoos is a 24 hr. crossing.

The camp fee for the VBMWR is $10 per tent per night and $15 per RV per night and showers are available. (I'm not sure if it takes loonies or toonies.)
