Description

The Second Home Café & Grill in Summerland has been our last Breakfast Ride of the riding season for the past few years. They put on a great buffet breakfast and it is usually well attended, although with the shorter days and colder mornings folks often show up on four wheels.

This is a buffet breakfast. The price this year is a reasonable $18.95 for adults and $16.95 for seniors (60+). (To be Confirmed)

Doug Ison has been stick-handling this event and our hosts would like a heads up on our numbers so that they can set aside some space for us. If you're planning coming, please advise Doug by Wednesday evening (Oct 15th) by email at disonf900@shaw.ca.

Hopefully the weather will cooperate and we can get a few bikes to show up. If the weather is a bit inclement, don't hesitate to come on four wheels.

From their Facebook Page:

"We have served Summerland and area for 26 years operating as Santorinis Restaurant. In January 2018 we changed our name, but not our commitment to great food, service and

friendliness.

The name Second Home came from you, our customers. You have all made this place feel like a home away from home for us.

We hope to serve you another 26 years under our new name, and look forward to serving you at our Second Home Restaurant!"
