Where	Freddy`s Brew Pub - Kelowna, BC, CA
Category	Breakfast

Description

Due to the COVID-19 outbreak, Freddy's Brew Pub has advised us that they are complying with directives from the Ministry of Health and are closing until further notice.

This has essentially made a decision that we were considering anyway for us.

We hope everyone complies with the direction to self-isolate if you feel unwell, or that you practice Social Distancing otherwise. Hopefully this will blow over in a few weeks and life will start to return to normal. If you are self-isolating and find yourself in need of assistance, (such as going to a pharmacy or store) please let us know and we'll try to find someone close to you who can help.

At the moment a nice motorcycle ride seems to be an acceptable activity for Social Distancing.

Stay safe and healthy. Wayne
