## Description

We will be returning to the [Kaslo Municipal Campground](#) for our annual Kaslo Camp-N-Ride. **We've adjusted our camping dates to Friday, August 11th to Monday, August 14th.** This is to accommodate the campground. The Kaslo Jazz Fest is on the previous weekend and the municipality wanted an extra day to water the grass in the camp area so that it can recover. We felt that those of us who aren't retired usually show on Friday anyway and for those of us that are retired it won't make a big difference. This also shortens the time between our camp and the Mike McPeak Memorial Camp in Nakusp the following weekend.

There is plenty of tenting space available on the large treed and grassy area. There is some room along the roadside for RV's but there are no services there. The cost for camping will be **\$10 per person per night**. As usual we will be collecting camp fees from attendees and submitting them on behalf of the group so cash and exact change will be appreciated.

The adjacent RV Park has serviced sites so if you wish to park an RB there, you'll have to contact the campground directly. (Link above)

There are also Motels and B&B's available in the Kaslo area if you want to attend but aren't the camping type. There are some good choices for restaurants in town which is a short walk 5 minute walk from the campsite. We don't usually do a big dinner out, but there is always some groups getting together for meals. Just ask around.

We are going to put together an optional group dinner for Saturday evening. We are going pick up rotisserie chickens, some salads etc. and share them at the campsite. We anticipate that the cost will be about **\$10 per person**, and we would have to know if you are in by Friday evening. Please let Judy know if you want to participate either by email, ([events@valleybmwrider.com](mailto:events@valleybmwrider.com)) or when paying your camp fee on Friday.

We hope to see you all there.
