Where	Kaslo Municipal Campground - Kaslo, BC, CA
Category	Campouts

Description

We will be returning to the **Kaslo Municipal Campground** for our annual Kaslo Camp-N-Ride. Last year we switched to a **Friday to Monday format** and that seemed to work well for us and for the municipality.

There is plenty of tenting space available on the large treed and grassy area. There is some room along the roadside for RV's but there are no services there. The cost for camping will be **$10 per person per night**. As usual we will be collecting camp fees from attendees and submitting them on behalf of the group so cash and exact change will be appreciated.

The adjacent RV Park has serviced sites so if you wish to park an RV there, you'll have to contact the campground directly. (Link above)

There are also Motels and B&B's available in the Kaslo area if you want to attend but aren't the camping type. There are some good choices for restaurants in town which is a short walk 5 minute walk from the campsite. We don't usually do a big dinner out, but there is always some groups getting together for meals. Just ask around.

We are going to put together an optional group dinner for Saturday evening. We are going pick up rotisserie chickens, some salads etc. and share them at the campsite. We anticipate that the cost will be about **$10 per person**, and we would have to know if you are in by Friday evening. Please let Judy know if you want to participate either by email, (events@valleybmwriders.com) or when paying your camp fee on Friday.

We hope to see you all there.
